1040 - INDIVIDUAL TAX RETURN ENGAGEMENT LETTER- Tax Year 2024

Dear Client:

This letter is to confirm and specify the terms of our/my engagement with you and to clarify the nature and extent of the services we/I will provide. In order to ensure an understanding of our mutual responsibilities, we/I ask all clients for whom returns are prepared to confirm the following arrangements.

We/I will prepare your **2024** federal and requested state income tax returns from information that you will furnish us/me. We/I will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information. We/I will furnish you with questionnaires and/or worksheets to guide you in gathering the necessary information. Your use of such forms will assist in keeping pertinent information from being overlooked.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns. You should retain all the documents, canceled checks and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them.

Our/My work in connection with the preparation of your income tax returns does not include any procedures designed to discover defalcations or other irregularities, should any exist. We/I will render such accounting and bookkeeping assistance as determined to be necessary for preparation of the income tax returns.

We/I will use professional judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. Unless otherwise instructed by you, we/I will resolve such questions in your favor whenever possible.

The law provides various penalties that may be imposed when taxpayers understate their tax liability. If you would like information on the amount or the circumstances of these penalties, please contact us/me. Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such a government tax examination, we/I will be available to assist you upon request and will not render additional invoices for the time and expenses incurred.

If the foregoing fairly sets forth your understanding, please sign the enclosed copy of this letter in the space indicated and return it to our/my office. However, if there are other tax returns you expect us/me to prepare, such as gift and/or property, please inform us/me by nothing so just below your signature at the end of the returned copy of this letter. We/I want to express our appreciation for this opportunity to work with you. **Very truly yours,**

Accepted Signature: _____

Accuracy-Related Penalty Disclosure For Individuals:

The law provides for a penalty to be imposed where a taxpayer makes a substantial understatement of their tax liability. For individual taxpayers, a substantial understatement exists when the understatement for the year exceeds the greater of 10 percent of the tax required to be shown on the return, or \$5,000. The penalty is 20 percent of the tax underpayment. Taxpayers may seek to avoid all or part of the penalty by showing (1) that they acted in good faith and there was reasonable cause for the understatement, (2) that the understatement was based on substantial authority, or (3) that the relevant facts affecting the item's tax treatment were adequately disclosed on Form 8275 or 8275-R attached to the return and there was reasonable basis for the position. You agree to advise us/me if you wish disclosure to be made in your returns or if you desire us/me to identify or perform further research with respect to any material tax issues for the purpose of ascertaining whether, in our/my opinion, there is "substantial authority" for the position proposed to be taken on such issue in your returns.
